

I believe that LPFM stations should not be given priority over FM translator stations. K-LOVE provides a tremendous service to me & the community by playing Christian music and providing a wholesome alternative to the often rude & inappropriate DJ's & music on other FM stations. I think that K-LOVE's service is in the public interest because it is positive & life-changing for many people.

I would be extremely disappointed if the FCC approved regulations which would eliminate FM translator services, such as K-LOVE, from many communities by prioritizing LPFM stations. Thank you.
